## Comments:

Dear Mr. Chillmaid,  
please find attached my review of the proofprints along with the responses to the queries.  
I will follow up query No.5 as I could not get the information on the page range for reference No. 26 up to now.  
Please do not hesitate to get in touch with me in case that there may be further questions.  
Thanks for your professional support in that matter, the proofs are looking really excellent!

With best regards,

Robert Hermann
